

Winthrop-University Hospital

## Wound Healing Symposium

This course is designed to highlight some of the treatment modalities utilized in advanced wound healing. Speakers include Dr. Burke Cunha, Chief of the Division of Infectious Disease at Winthrop-University Hospital and Dr. Thomas Davenport of LIPSG, as seen on The Discovery Channel, both members of the Winthrop wound care team.

### OBJECTIVES:

*After attending the symposium, you'll be able to:*

- Apply basic to advanced concepts in the science of wound healing to your practice or role in preventing and managing wounds.
- Discuss current clinical practice, emerging technologies, how to integrate cutting-edge treatments, and research breakthroughs in wound care.
- Identify realistic, balanced, and applicable clinical practice issues.
- Network with faculty and colleagues to maintain and grow relationships.

**Mail your registration to:**  
Department of Surgery  
Winthrop-University Hospital  
259 First Street  
Mineola, NY 11501

# Wound Healing Symposium

Enjoy the surroundings of the beautiful OHEKA Castle while attending a one-day symposium highlighting some of the current techniques in wound healing. This program is designed for physicians, nurses and other providers of wound care services. The conference will be followed by a cocktail hour during which you may ask the speakers questions or just enjoy the facility.

**Winthrop-University Hospital is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.** This Symposium is an approved Continuing Medical Education activity. 6.5 CME's will be provided to Physicians and PAs and 6.5 CEU's will be offered to Nurse, PT and Dietary participants. Physicians may claim a maximum of 6.5 credit hours in Category I credit towards the AMA Physicians' Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
