

## Interprofessional Continuing Education (IPCE) and Continuing Professional Development(CPD) for Clinical Professions

The CME Office at NYU Winthrop also coordinates accreditation of CE/CPD for the following licensed clinical professions, through recognized accreditation bodies, where these exist:

| Profession                        | Approver  | Staff/Process Requirements for the Planning of a CE Activity  | Estimated approval time needed                                 |
|-----------------------------------|---|---|--|
| Athletic Trainers(AT)             | <a href="http://BOCATC.org">BOCATC.org</a> <sup>2</sup>               | 1, 3  | 6-8 weeks  |
| Certified Diabetes Educators(CDE) | <a href="http://AADE.org">AADE.org</a> <sup>2</sup>                   | 1, 3  | 5 weeks  |
| Dietitians (RD)                   | <a href="http://CDRnet.org">CDRnet.org</a> <sup>2</sup>               | 2,3   | 6-8 weeks  |
| Nurses (RN, LPN, APRN)            | <a href="#">NYUWinthrop CME/CE office</a> <sup>1</sup>                | 1, 3<br>Nurse Planner must hold a Bachelor degree or higher in Nursing, and must complete an <a href="#">Education Planning Table</a> | 7-9 weeks  |
| Occupational Therapists (OT)      | <a href="http://AOTA.org">AOTA.org</a> <sup>2</sup>                   | 2, 3  | 6-8 weeks  |
| Pharmacists(RPh)                  | <a href="#">St. John's University School of Pharmacy</a> <sup>2</sup> | 2,3   | 6 weeks  |
| Physical Therapists (PT)          | <a href="#">NYUWinthrop CME/CE office</a> <sup>1</sup>                | 1,3   | 5 weeks  |
| Physician Assistants (PA)         | <a href="http://NCCPA.org">NCCPA.org</a> <sup>2</sup> (MOC)           | 2,3<br>PAs claim the same CME credits as Physicians (AMA, AAFP, AOA)  | 18 weeks   |
| Physicians (MD/DO/MBBS)           | <a href="#">NYUWinthrop CME/CE office</a> <sup>1</sup>                | 1,3   | 18-20 weeks for physician-only education, 24-36 weeks for IPCE |
| Radiologic Technicians(RRT)       | <a href="http://ASRT.org">ASRT.org</a> <sup>2</sup>                   | 2,3   | 6-8 weeks  |
| Respiratory Therapists (RT)       | <a href="http://AARC.org">AARC.org</a> <sup>2</sup>                   | 2,3   | 6-8 weeks  |
| Social Workers(SW)                | <a href="#">NYUWinthrop CME/CE office</a> <sup>1</sup>                | 1,3<br>Satisfy NY State requirements  | 5 weeks  |
| Sonographers (RDMS)               | <a href="http://ARDMS.org">ARDMS.org</a> <sup>2</sup>                 | 2,3   | 6-8 weeks  |
| Speech/Language Pathologists(SLP) | <a href="http://ASHA.org">ASHA.org</a> <sup>2</sup>                   | 2,3   | 6-8 weeks  |

### **Key:**

- Activities can be approved directly by the Winthrop CME/CE Office as an institutionally approved education provider.
- Each individual activity must be approved by the national/local accrediting body listed.  
*(Allow at least 6-8 weeks to complete this review/ approval process, or longer in some boards).*
- Most professions require a documented planning process by a team that includes members of the profession.

**If your licensed clinical profession does not appear above, and you are interested in developing credentialed continuing education courses/activities, please [contact us](#).**
